HYPING A CERTAIN DAY

IT'S A TRAP

Tuesday

Morning

6:30 COLOR NEWS, TRAFFIC

Ape News Network Sees Rival: The drama was caught live on Ape News Network in New Jersey where a rival traffic message trailer showed up nearby publishing fake news about shorts covering. Reporter **u/mr_boost** was on the scene to set the record straight.

Reconnaissance Apes: Chicago correspondent **u/hapilly_unemployed** posted the goods and the lights were indeed on at Citadel 6/21 at 11pm and even provided a comparison taken two weeks ago that had less lights on.

Hedge Fund HQ Activity: It appears they are burning the midnight oil at Citadel and it is being tracked through thousands of data points by **u/WhyArePipesSoEvil**.

9:30 LIVE MARKET OPENS

Time to start BUYing shares of GME.

11:00 COLOR HSN

Home Shopping Network: The hottest toy this season is the series of SuperStonk Funko Pops from **u/maxeurin**. Possibly available post-moass.

Afternoon

12:30 COLOR HISTORY CHANNEL

One True Sacred Timeline: Visualize the past with an expertly designed timeline kept by Linear Regression Girl, **u/PWNWTFBBQ**.

1:00 COLOR DATA DROP

Daily Reverse Repo Update: The numbers keep growing. **u/pctracer** is following closely and the high score is being tracked by new High Score Guy **u/TheLeagueOfScience**.

2:00 LIES PAID PROGRAMMING

Oreo Cookie Prophecy: A DD on r/WSB one month ago from **u/LehmanParty** described historical examples of a market downturn following the release of an Oreo with even more stuffing. New triple stuff Oreos for July 4th were seen at stores yesterday.

4:00 LIVE MARKET CLOSES

Time to continue HODLing shares of GME.

5:00 SPECIAL WELLNESS

Mental Health Check: Therapist **u/dormsta** hosts a discussion every few days to talk. Let it out, apes are there for you.
